

Moving our Community Fund 2020 - Criteria

Sport England are providing Leap with extra funding to support and distribute to community organisations who support the following priority groups to be active:

- Lower Socio-economic Groups
- BAME Communities
- Disabled People
- People with Long Term Conditions

Grants are available for Community Organisations in Buckinghamshire and Milton Keynes to apply, please see criteria for a grant application below:

Who can apply:

- Charities, community groups, social enterprises, community Interest companies or other not for profit organisations that support sport and physical activity opportunities for our priority audiences.
- Organisations must be based or delivering in Buckinghamshire or Milton Keynes
- Organisations must have a recognised constitution in place*

*Organisations without a constitution may explore if/how another organisation could receive any funding on their behalf or Leap (or partners) can support them to write a constitution.

How much can you apply for?

Grants of £250 to £5000 are available with most grants being up to £2,000.

Use of this funding

The types of activity that might be funded could include:

- Hardship through funding support
- Funding for community groups to find new ways of keeping our target audience active in this period
- Offering advice and training support
- Increasing resilience, capacity and capability of delivery bodies

Criteria

Projects must meet the following criteria:

- Impact on at least one of the four priority groups:
 - Lower Socio-economic Groups
 - BAME Communities
 - Disabled People
 - People with Long Term Conditions
- Show how the funding will either help a trusted club/community body to survive through the next 6 months and/or support their participants to remain active in the COVID-19 lockdown and early recovery stages over the next 6 months
- Is there a clear 'line of sight' from this investment to physical activity taking place either now or in the immediate future
- Demonstrate a clear financial need for the funding sought

- Demonstrate the existing relationship the club/group have with the target audience and the extent of its reach into the target community
- Not be a duplicate application for funding already received from the Sport England Community Emergency Fund.
