

Privacy Notice for Partner organisations of the Boredom Busters Project in MK

Leap c/o Buckinghamshire Council

At Leap we are committed to protecting your privacy when you use our services. We are hosted by Buckinghamshire Council and our relationship is based on Leap being the Data Controller and Buckinghamshire Council being the Data Processor.

The law requires us to give you a Privacy Notice which gives you details about how we use and protect your information. The notice below gives you those details and explains how we keep your information secure, how we use it and why we need it.

This Privacy Notice applies to all personal information held by and used by Leap or on our behalf. This notice applies to partner organisations involved in the Boredom Busters project.

If you have any questions regarding this notice or our privacy practices then please contact us:

by email: info@leapwithus.org.uk

in writing: Leap, Coach House, Green Park, Stablebridge Rd, Aston Clinton, HP22 5NE

or by telephone: 01296 585215

This notice will be reviewed and updated on an annual basis. It may also be updated when we change our services and will always contain details of when it was last updated.

How we collect your information

We will collect information required to administer the Boredom Busters project via an Excel spreadsheet collected digitally via e-mail.

What information do we collect?

The personal information we collect includes your name, contact email and role.

Gathering data about the families you distribute the bags to

The funds we receive and are able to disseminate to the county through the Boredom Busters programme are awarded to us by Sport England and MK Council, via European City of Sport fund. However the funding comes with conditions and we are required to collect data about the families that receive the bags.

We will gather this information via an excel spreadsheet completed by yourself and include the following information about the families- ward they live in, number of adults in household, number of children in household, age of children, ethnicity, any disabilities of children and employment status.

As the partner organisation, you will have access to these details and will act as the Data Processor, processing the data in the way we specify. You should ensure that your method for capturing and storing forms is as safe as possible. Eg. on a secured password protected computer.

Leap website

When you use our website (<https://www.leapwithus.org.uk/boredom-busters/>) we may also collect digital information about you such as your IP address and your browsing use of our website. This is

to gather insight into how you use our website to enable us to make it easier and better for you in future to find what you need, and to report statistical details to our funders.

Use of IP addresses and cookies

Cookies are small text files that are placed on your computer by websites that you visit. They're widely used in order to make websites work more efficiently, as well as to provide information to the owners of the sites.

We use cookies to check the use of our website and to help us customise the website when you visit it. We don't store or transmit any information that identifies you on these cookies apart from the IP address which is a unique string of numbers that identifies the device which is connected to the internet.

You can change your cookie setting at any time in the security settings in the browser you use to access the internet. Please note, however, that rejecting all cookies may impact your experience of our website.

We use IP addresses only for the purposes of system administration and, like cookies, to check the use of our website. We don't link IP addresses to any other information, which means that while your user session will be logged we won't know who you are.

Why we use your information

We may use your information to:

- Manage the services we provide to you
- Demonstrate the impact of the services we offer.
- Help look at complaints, concerns or worries you have about our services
- Send you communications you have requested and that may be of interest to you
- Help with the research and planning of new services
- Check the quality of services and identify improvements

How long will we hold your information?

We'll only keep your information while we still need it to provide you with a service or where we are required to keep it. We will keep your details securely for the financial year of the project plus 12 months for monitoring and evaluation processes.

We may retain your details if you are involved in other projects or programmes with us, or if you have subscribed to our updates.

How we may share your information

To help us deliver the Boredom Busters project we need to pass your information to our third party partners, in this case MK Council who have contributed to funding the project and are helping to distribute the packs.

We will not sell or rent your information to third parties, or share your information with third parties for marketing purposes.

How we keep your information safe

It may sometimes be necessary for your information to be stored in or looked at by other countries or territories around the world. If this happens we will make sure your information is still safe by

protecting your rights and checking that the country or territory gives you the same or similar rights as the UK.

All of our information is kept safe using the following:

- Passwords. To make sure that only staff and organisations who are authorised to see your information can do so.
- Training. So staff know how to look after your information.
- Regular monitoring. So we can keep up to date with new technology and threats to your information and make sure our systems stay secure.

Your rights and how you can control your information

You have legal rights over your information. For details of those rights, how long we keep your information and how we keep it safe, our main Privacy Notice is available here: www.leapwithus.org.uk/privacy

If you have any concerns

If you think we've failed to comply with our obligation for handling your personal information or you have a complaint about how we have handled your personal information you can contact us;

by email: info@leapwithus.org.uk

in writing: Leap, c/o AVDC, Coach House, Green Park, Stablebridge Rd, Aston Clinton HP22 5NE
or by telephone: 01296 585215

If you remain dissatisfied with our response, you have a right to lodge a complaint with the Information Commissioner's Office (ICO).
